Dear [Redacted]

STAT

The Director of our Agency has signed a certificate attesting that you have served the Organization for twenty years. Since he could not express his appreciation in person by direct presentation to you, your certificate was symbolically presented by him at a Headquarters ceremony with his congratulations and best wishes.

I want to add my own congratulations for your contribution to FBIS and to extend my personal best wishes as well as those of your FBIS colleagues.

Sincerely,

[Redacted Signature]
